Honoring

Alan and Greta Greenberger

This year's annual Architectural Dinner takes us to the recently renovated **Founder's Hall at Girard College**. Designed by architect William Strickland's protégé, Thomas U. Walter, Founder's Hall at Girard College opened its doors in 1847. Walter would later be named Architect of the U.S. Capitol and design its extraordinary cast-iron dome and several wings. Founder's Hall was Walter's most important early commission and remains one of the finest examples of Greek Revival architecture in the nation. It is both a National Historic Landmark and the emblem of an innovative institution that has educated over 22,000 children in need.

Alan and Greta Greenberger will be honored as the recipients of the 2025 Mary Werner DeNadai Award – presented to a civic leader who has made a lasting impact in historic preservation.

Enjoy dinner, an open bar, live music, and more.
